Petition to Revive an Unintentionally Abandoned Application
Under the Provisions of 37 C.F.R. 1.137(b)

The above-identified application became abandoned for failure to file a timely and proper response to the Notice of Allowance mailed on May 8, 2005, which set a three month period for response. The abandonment date of this application was August 9, 2005.

Applicant's attorneys respectfully petition the Commissioner for Patents to revive the above-identified application under the provisions of 37 C.F.R. 1.137(b) on the ground that the entire delay causing the abandonment of the above-identified application was unintentional.

Per PTO Rule 137(b), enclosed with this Petition to Revive and above statement that the delay was unintentional is:

- a) the petition fee in the sum required under 37 C.F.R. § 1.17(m) (see Deposit Account authorization below);
- b) the Issue Fee Transmittal
- c) the issue fee in the amount of \$1400.00 (see the Deposit Account authorization in the Issue Fee Transmittal); and
- d) the Publication Fee of \$300.00 (see the Deposit Account authorization in the Issue Fee Transmittal).
